Read Psalm 63:1, then **write** a prayer below, telling God how much you want Him to teach you and how thirsty you are for His Word. Ask Him to help you SLLRP it up this week.

On the back of this sheet, draw a picture of how you can SLLRP it up this week!

Now grab a straw and have a slurping contest at home! See who can slurp up their water the fastest and add an extra challenge by cutting slits in your straws!
