

IMPACT PARTNERS

Saturday, March 26 | 11 a.m.
FAC Family Life Center |
20444 Midway Blvd., PC

To help parents along their journey, **Better Together** organizes a monthly luncheon to bring parents together for community, support and to hear from speakers who understand the challenges of raising kids in today's complicated world. We all want to pass down healthier patterns to our children, but sometimes we're not sure how. At this month's Better Luncheon, Lisa Rowe, LCSW, co-author of *Unraveled Roots* will share practical ways to break damaging cycles and patterns so we can become healthier people and healthier parents.

FAC will be hosting the March **Better Together** Luncheon! This is a great opportunity for parents to be supported, equipped and encouraged.

Please invite parents who could benefit.

It's also a great opportunity for YOU to attend and BE support and encouragement for families! Either way, you are invited to join us and see **Better Together** in action!

Childcare provided.
