Dear Local Business Owner

February, 2019

Each summer, First Alliance Church offers children and teens the opportunity to attend the Word of Life Florida Youth Camp. This camp is a potentially life changing week for young people. The goal of Word of Life is to make a lasting imprint on the hearts of everyone who attends. We have witnessed firsthand, students battling with issues like depression, body image, family conflicts, guilt, shame, and fear begin the week weighed down with these issues and end the week by laying them at the feet of our Lord. We want to make this experience accessible for as many students as we can. You have an opportunity to help make this possible in our community.

On April 13, 2019 we will be hosting "FAC goes to Camp!". Adults will have an opportunity to receive a taste of what camp is like. Representatives from Word of Life Florida Youth Camp will be here to bring authenticity to the event. This fundraiser will be an opportunity for individuals at our church and in our community to make a donation by selecting an envelope with a predetermined donation amount.

Here is where you come in! We would like to place some incentives in the envelopes such as gift cards or certificates for goods and services provided by local establishments. This helps let donors know about the many local businesses that support and love our students. Another way a business or individual could help would be to make a simple donation to our cause (check made payable to First Alliance Church *memo: WOL Camp Donation*). The cost per camper is approximately \$420.

Thank you so much for your consideration. May God bless you and your business.

Sincerely,

Duane A. Richards
