Drawing conclusions

Dr. Drill is a good dentist, but his waiting room is always crowded with patients reading magazines. That's because Dr. Drill is always behind in his schedule. Some patients complain to his receptionist when they become impatient.

- Dr. Drill has very good magazines.
- Dr. Drill has a tiny waiting room.
- If you decide to go to Dr. Drill, you should be prepared to wait.

The movie theater, Popcorn Cinema, has 150 seats. Tonight, the movie *Alien Attack* will start at 8:00 p.m. A crowd of 180 people is standing in line for tickets.

- It should be a good movie.
- Everyone will probably buy popcorn.
- Not all the people in line will get a ticket for the 8:00 show.

Brain Box

A **conclusion** is a decision you make after thinking about all the facts you have read.
